Play with my friend
Riding bikes

Now we are tired
Go to play again

Sun is shining
Play outside
Rain falling
I hear birds singing
Now I can skateboard
Grass is green

Sun comes out
Play out on the mountain
Rain showers
Its time for my birthday

Spring is finally here
Plants and grass grow
Rain melts snow
I ride my bike with my dad
Night camping
Gabe plays with me.

Spring has come.
Picking flowers.
Rabbits bouncing.
I play ball with Matt.
Now night has come time for bed.
Good night tomorrow will come.

Painting is fun.
Rain falls.

New flowers grow.
Grass grows.

Sun rises
Petals bloom
Roses blooming
I feel better
Napping stops
Grass gets uncovered.

People wearing short sleeves
Rain pours down
